Re: Technology Review
AquaKlear, Inc. Models: AK750, AK800, AK1000, AK1500

Dear Mr. Tucker:

The Department met with Glenn Wisniewski, representative for AquaKlear of New Jersey, on April 23, 2019. That meeting was held to discuss the additional documentation and technical information required to list AquaKlear, Inc. models AK750, AK800, AK1000, and AK1500 on the New Jersey List of Applicable Advanced Wastewater Pretreatment Device Manufacturers, pursuant to N.J.A.C. 7:9A-8.3(a). In consequence of the additional documentation and technical information submitted on May 23, 2019, the Department conducted a final technical review for the AquaKlear, Inc. models listed above.

Based on the final technical review, the Department will be processing your request to place AquaKlear, Inc. models AK750, AK800, AK1000, and AK1500 on the New Jersey List of Applicable Advanced Wastewater Pretreatment Device Manufacturers. This list is available on the Department website at https://www.nj.gov/dep/dwq/owm_ia.htm. Please allow for processing time as the webpage is being updated.

If you have any questions, please contact me at (609) 633-7021 or at Ron.Bannister@dep.nj.gov.

Sincerely,

Ron Bannister, P.G., Section Chief
Bureau of Nonpoint Pollution Control
